**Church / Family News :-**

**What a great weekend we shared with New Life Plymouth at Heatree House at the end of January ! Good to see so many from our church there. The picture above is a reminder of the excellent teaching Chris Clewer brought on the journey of Israel from slavery in Egypt through the desert, arriving at the River Jordan to cross over into the land promised by God. Thanks to Christine and Andy from New Life for doing all the admin for the weekend, brilliant.**

**During the weekend we began to look at church vision as a group, but would want to include the whole church in this process. As Dan pointed out any changes to our vision will ultimately come through the elders but we value input from church members in the process. Once the elders have looked at current matters, another vision meeting will be arranged. Watch this space !! We are aware as we share in such a way that, as Chris Clewer commented, "many visions = di-vision, one vision = unity."**

## **Church / Family News (cont) :-**

**You will see we are hosting a CAP Money Course on 6<sup>th</sup> Feb – if you need help with managing finances, this course comes highly recommended and is being run by Richard Appleby from Living Light.**

**You will also see above that after the Men's Breakfast on 17<sup>th</sup> Feb, at approx. 10.30am a deep clean of the main Kitchen will take place – men ! be sure to stay and help please.**

**There has been a request to look at putting on some form of discipleship course – this is currently being investigated by the elders – more details to follow.**

**Some of you will know David & Sue Tucker who are the parents of Joey Tucker, who was a member of the church a while back and helped run our youth work. She & husband Jon were married in the church. David manages our website and has done for a long time; he has very recently given testimony of being healed of Progressive MS – it is an amazing story and we praise God for His healing power at work ! It would be good to have David & Sue over one Sunday to share their story.**

**Please pray for Bob H who will be speaking at the Bishops Lydeard church Men's Breakfast on 10<sup>th</sup> Feb.**

**“Now faith is the confidence that what we hope for will actually happen; it gives us assurance about things we cannot yet see. Through their faith, the people in days of old earned a good reputation.” Hebrews 11 vs 1&2. NLT**
