Family / Special News :-

Great big THANK YOU to Carl & Pattie for their usual amazing hospitality on our annual visit to Manor Farm on 24th June. Wonderful time, wonderful weather (thank You Lord !). Thanks also to Marion & Chris for being the advanced party to prepare lunch.

Please continue to pray for those in our church family who are sick and suffering, Andy recovering from heart surgery (and Jane caring for him), Ashley recovering from surgery (and Julie whose needs are normally met by Ashley), Laura recovering after giving birth to Hudson (and Adam as he juggles family/work commitments). For Hugh (Carl & Pattie's son) recovering from an operation in Bristol, and Beryl F-T in Netherclay House as she is weak from a bout of shingles.

Prayer also for ongoing healing for Sue, Julie, and Bill.

IMPORTANT – you will note above we have a special whole church time on Thursday 5th July, starting at 7.30pm with coffee etc with the express purpose of exploring what God might be saying to us concerning His command to 'Halt' and 'Rest' in the prophetic word given recently through Paula from Living Light. As we enter this new season let us be mindful of each other's needs and re-commit to each other towards the exciting things ahead. We would expect every member to be there (barring illness), to contribute to our time of listening to the Lord. Invites will be handed out on Sunday 1st.

The above notice is the reason why all events/ meetings are subject to change, as we may need to shift priorities, change focus as Holy Spirit leads and directs.

You will also note we have an exciting morning on 8th July when Life Central Church are joining us for our worship when we will baptize a young man from their church who has recently become a Christian. Steve Jenkins, Life Central Pastor will be bringing a word to us. PLEASE NOTE this is an opportunity for anyone in the church who has become a Christian but not yet been baptized – what a thrill it would be to have more than one baptism on the day!

On Thursday 12th July some of Bob & Maggie's group are taking the opportunity to go together to the Christian Institute meeting in Taunton, 7.30pm start. See notice board for details. Let Bob H know if you would like to join us.

We trust you are being encouraged and challenged by studying Brian Gingles Discipleship Manual – each housegroup seems to be going at a slightly different pace but that matters not in the scheme of things! The church in our nation, and other nations in the West have not been effective at making disciples over a long period, and it is important that we as a church look to redress the situation. We each have a responsibility to encourage and disciple at least one person who is seeking or newly saved or younger in the faith.

“Old ways will not open new doors” (with reference to Jesus' question in John 5 v 6). “Do you want to be.....?” Fill in whatever applies.
