Family News :

Congratulations to Colin and Madeleine who celebrate their 55th (emerald) wedding anniversary on 4th April - well done both - what an amazing example you are !

Our Thursday gatherings continue and we would encourage everyone in the church to be there if at all possible - we want each one committed to the church family taking the exciting journey which includes the programme for the next few months (every member should have a copy - one on the notice board). As already said if you weren't able to be there on 28th March please get a recording of Chris speaking on 'dealing with discouragement' - highly recommended !

On Thursday evening 11th April Bob & Maggie will be exploring 'Renewing the Mind, Strongholds and Deliverance' (Chapters 17&18 of the Discipleship Manual). Then on Thursday 25th April Caley will share on 'Inner Healing and Physical Healing' (Chapters 15&16 in the Manual).

Family News (cont)

You will note that we have called our Easter Day service 'Easter Party' which came out of our leaders team sharing. The Bedford and Wilding

families will be organising this so please be prepared to help and support if asked. They would particularly want everyone to pray and ask family and friends outside the church to come and join in the Party !

Wellington Town Council have organised a training session for using the new Defibrillator which has now been installed on the front of our building (the green box on the wall). The session will run from 10am till 1pm on Saturday 27th April. Anyone interested please come along (let Bob H know please).

Please pray for all who are sick in any way and need God's healing touch - we continue to believe, as Jesus following people, that He still heals and delivers today.

Please pray for the eldership with Dan now installed, that we might be one in heart and Spirit, and provide biblical and pastoral oversight effectively as we enter the new season God is drawing us in to. Continued prayer for the leadership team is also important as we look to reach out and grow in the next months and years.

You will note that Chris has arranged another Prayer time for Saturday 4th May from 10am - let's not neglect the meeting together to pray and seek God in these momentous days.

"And remember I am with you always, even until the end of the age" - (Jesus in Matthew 28 v 20)
