

“But the basic reality of God is plain enough. Open your eyes and there it is ! By taking a long and thoughtful look at what God has created, people have always been able to see what their eyes as such cannot see; His eternal power and the mystery of His divine being. So nobody has a good excuse.” Romans 1 v 20 (The Message Bible)

Family & other news :-

Please pray for those who are sick, that as we pray as one they will be healed. Especially we remember Pattie (recovering from a hip operation), Julie (with ongoing issues), Sue (that she might continue to be a 'walking miracle'), Madeleine (ongoing health issues), Mary-Beth (with effects of a back injury), and others we know who need God's healing touch.

You will know we are at Heatree House from 31st January till 2nd February, with our Plymouth Church. It promises to be a great time together, as we have experienced previously. If you are not joining us please visit one of the other churches in the town on Sunday 2nd Feb, you will be sure of a warm welcome. Pray for our time at Heatree, that we will meet with each other and God in a real and lasting way.

Please continue to pray for Sam Bedford and Mary Beth Deller as they approach their wedding in April – we rejoice that they want God to be at the centre of their marriage.

Please pray for the CAP Life Skills Course, especially the four people that are on the course, that they will know God's love and wisdom through Richard and all the Team as they teach the course, and befriend those participating.

Please pray for the Barnabas England Team meeting (see above) as we look to step into all that God has destined for us as a movement in 2020 and beyond.

During the next 6 weeks, starting on 30th January we are taking a journey through the Lord's Prayer with a series by Pete Greig, which will give us insights into furthering our prayer life, individually and together. Don't miss out, it promises to be an exciting journey !

David T announced last Sunday that we need a team of keen volunteers to do a thorough kitchen clean as we do every year, to maintain our status as a 5 star facility. This will be on Saturday 8th February. Please help if you can, there will be light as well as heavy duty jobs to do. Sign up with David please.

You will see above there is a prophetic conference in Reading on 8th February, with some of the recognised prophetic voices in the nation. Please see Bob or Maggie if you would like to book in. There will be much to share after hearing God speak into our nation at this crucial time.

Family & other news (cont)

You will see we are on the street once again on Saturday 22nd February, taking the message of the gospel outside the walls of the church. This means we will not meet on Sunday 23rd Feb. We hope everyone will be involved in some way, and none of us consider it a weekend off. There are different ways in which everyone can take part, from practical bits, to talking to people on the streets, to praying at church, or praying on the street. We believe there will be an ever increasing number of 'divine encounters' as we step out in obedience to God's word to us.

You will see above we are hosting the Wacky Wednesday event on 19th February. This requires a good amount of setting up and clearing away, so if anyone can help with these tasks or stay for the event, please see Bob H. We set up from 9.30am and the event runs from 10.30am till 12 noon.

"Let your light so shine before men that they will see your good works and glorify your Father in heaven." Matthew 5 v 16 (NKJ)
