

“Opposition to the Truth cannot be excused on the basis of ignorance, because from the creation of the world, the invisible qualities of God's nature have been made visible, such as His eternal power and glory. He has made His wonderful attributes easily recognised, for seeing the visible makes us understand the invisible. So then this leaves everyone without excuse.” Romans 1 v 20 (Passion version).

Family & other news :-

Please continue to pray for Colin as he recovers from an infection after his operation, which, praise God was a complete success. He will stay in hospital for a week or two yet to get the infection under control. Pray for Madeleine as she is alongside Colin in his recovery, which has been difficult at times. May she know the peace that passes all understanding.

On Saturday 14<sup>th</sup> July we head off to Plymouth to join New Life Fellowship for the morning then lunch after – David T & John have been gathering numbers and issuing directions – thanks both. If you haven't signed up yet please do so asap so that we can give accurate numbers to New Life guys for catering purposes – let's ALL go !!

Once again we are calling a Prayer time for Saturday 20<sup>th</sup> July, when we will be joined by David White leading us in prophetic worship to prime our prayer together. These prayer times are vital in continuing to call on God for His Kingdom to come in Wellington, and the nation.

It's been really great to welcome Margot (Pattie's sister) on a rest break from her work in Thailand. We hope to hear from her about the work and have an opportunity to pray and support the labour of love she lives out among children in much need.

You will see that Barnabas leaders are calling for a day of prayer and fasting for the vision and increasing influence of the network in our nation but also the other nations we are currently serving. Alongside this we need to pray for The Turning, the evangelism and discipleship initiative which has spread from all countries of GB into Europe. The Turning London starts on 21<sup>st</sup> September for a week – our capital will be transformed by the message of Christ's love. Much to pray for !

Speaking of healing, let us continue to believe for God's healing power to be at work in all those who are suffering in our church family, we especially lift Andy, Julie, Sue and Ron to God's loving touch.

Barnabas have organised a healing conference for the 6<sup>th</sup> & 7<sup>th</sup> September, to explore the ministry of healing in the local church context – more information to follow.

On the same subject of healing, again you will note above, Ian Andrews, sent out from South Chard Church in the 80's, to minister healing all over the world, is coming to the area. We have a rare opportunity to hear and respond to Ian's ministry on Sunday evening 21<sup>st</sup> July at Riverside Church Taunton – time to be announced. Please take this opportunity if you need the healing touch of God.

The leadership Team have been praying into the vision of the church on the back of our journey through the Discipleship Course, written by Brian Gingles. We believe this has had a maturing and uniting effect on the church through the challenging messages we have been studying. Let's continue on the exciting journey together in the coming weeks and months. Our Thursdays will continue as we explore together !

As highlighted in June's e-news, we are planning our next weekend away with our Plymouth church in January/February 2020 at Heatree House. David T is ready to take names for the weekend – it promises to be a great time as always – so sign up soon !

“this one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead. I press on towards the goal for the prize of the upward call of God in Christ Jesus.” Philippians 3 v 13/14 (NKJ version).
