Family News and advance dates :-

Great celebrations on Easter Sunday as we welcomed Caley's daughter Sarah into the Kingdom – welcome to the Lord's family Sarah ! Please pray for Sarah and her husband and family as they take this new journey of faith.

Last month we had a run of special wedding anniversaries, and we have another in that Ashley and Julie have just celebrated 30 years of marriage – amazing stuff, well done !

You will see above we have Dennis DeGrass coming to Wellington on Wednesday 22nd May – he is a highly prophetic guy from the States who has spoken into Wellington about 15 years and is invited by Living Light – this is an open meeting for all churches which RGCF are hosting. Please make an effort to be there to hear God together for Wellington.

On Sunday May 5th There is the annual May Day in the Park event at which the Churches Together in Wellington will have a stand – please go along from 1pm if you can to support and encourage the folks there.

Please pray for the Leadership Team as they seek guidance on what follows from our Thursday evenings together – some sense has emerged but we need clarity in the Holy Spirit. It is worth highlighting the message Clare Cleave brought us on the last Sunday in April – very timely and very relevant to us – new wine needs to be in new wineskins for us to step into our destiny & purpose as a church in this season. See Dan for a copy.

Please pray for all those who we know are sick, whether physically, mentally, emotionally. Wholeness in Christ is a passion of the leadership and we pray for breakthrough as we continue to look at freedom and healing on Thursdays evenings.

On June 2nd Churches Together in Somerset are organising prayer around the boundary of the county to see breakthrough and protection against the forces attacking from without. As churches in Wellington we are heading up to Culmstock Beacon after our church meetings to pray and enjoy a picnic together.

The next Townwide Unity prayer evening is on Wed 19th June – 7.30pm at the Methodist Church – this a vital part of The Church in Wellington becoming more united so please make every effort to be there.

On 14th July we will all be heading down to Plymouth to join New Life our Barnabas church there for a mornig together followed by lunch – this is another chance to forge ties and relationships with our nearest Barnabas family church. We will be making transport arrangements over the next few weeks – so watch this space !

On the wedding theme, congratulations to Sam (Bedford) and Mary-Beth on their engagement – brilliant news !! Watch this space for more detail of wedding plans.

You will note above that the Wildings (just Adam & Laura for now !) are taking trips abroad with Barnabas Teams – details below:-

Adam is off to Israel to our work in Arad in the south of the country. Gareth is taking a small team to see how the work is progressing and see where support is needed as the work continues to expend beyond anyone's (except God's) expectations ! We look forward to Adam's report – the trip starts on 12th May and they return on 17th May. Please pray for their journeying and their time there as they serve the Team there.

Then it's Laura's turn ! She is joining a small team visiting our Barnabas churches in Livingstone Zambia and then on to Kwe Kwe Zimbabwe to encourage the amazing work that our churches are doing in Southern Africa. Bob H is leading the crack Team of Mike Davis-Bater, Megs Dumbelow (both from Reading), and our very own Laura ! We require much prayer cover as we travel there, and around in both countries, and as we return. It is winding up to be a powerful and ground breaking trip & Laura & Bob will report back on our return. We fly out on 25th May and return to UK on 3rd June.

Other future dates :-

July 28th Matt Stubbs from The Gate in Reading will be doing a worship day – with an open celebration in the evening - more detail to follow.

Sunday August 25th will be our next joint Sunday morning gathering with Living Light and Life Central at Courtfields School.

ADVANCE ADVANCE note – We are looking at another weekend together with our Plymouth church from January 31st to February 2nd 2020 – more details to follow – start saving now !! Don't miss out book early !!!

Final Word

Let your light so shine before men that they will see your good deeds and glorify your Father in heaven – (Matthew 5 v 16)
