Family & other news :-

Please continue to pray for Laura & family during her mother's illness, particularly for Laura as she shows mum God's love in action – ultimately for mum's salvation. Pray for all the practical arrangements as mum remains in Denmark, and supernatural strength for Laura as she travels to and from Denmark to support her mother.

Pray for others who are still needing healing among us, including Julie, Andy, Sue, Bill, Mary-Beth, and other family members who we continue to uphold in prayer – God is still Jehovah Rophe – the Lord who heals !

It is good to see Sue step into Freddy's shoes to lead the Forever Active group on a Monday morning – from my observation it's a good workout with a lot of fun thrown in ! Great job Susan !

You will see from the picture above Life Central, Living Light and RGCF are putting on a Christmas Family Event around the Narnia theme. A number of folks are working on the production, and it would be great to use the flyer to invite friends and family, and you may get roped in too !

Please note the Narnia event is ticket only by booking through the Life Central website as detailed on the poster above.

The switching on of the Christmas Lights this year is Saturday 30th November – you may or may not go to this event each year but value prayer as Bob H will be bringing the Christmas message from the church in Wellington to inject the true meaning into proceedings. The event kicks off at 4pm with the (very short) talk at about 5.30pm.

Also the same day, Sat 30th Nov, please note the call to prayer from 10am till around 12 noon. An opportunity to fast if you can with the prayer. David White will be joining us once again as we pray prophetically into our locality and the nation.

Our Thursday evenings in December will continue with the theme of sharing the gospel, discipleship, faith to believe for salvations and miracles. We won't meet together on 26th Dec for obvious reasons !

You will also see above that there will be a Launch Event for the CAP (Christians Against Poverty) Life Skills Course on Saturday 7th December at 5pm at Court Fields School. The course will run from 6th January next year hosted by RGCF, visit the CAP website for information about the course. If you intend coming to the launch please let Bob H know asap.

Once again we will be taking the love of Christ to the High Street on 21st December as we pursue God's word to us to be church outside the walls. On the back of a much greater engagement with people on the Street in November, we are encouraged to persevere in believing we will see people touched by the love of the Lord as we reach out to all we meet.

As above you will see we are screening live a seminar from Yinka entitled 'The Coming Storm' on Tuesday evening 3rd December starting at 7.30pm. We invite as many of you to come as possible, as it will in Yinka's words, "give prophetic insight into the state of our nation,.....after which those watching will be in an informed position to support their local leaders, know what the storm looks like, have strategies to overcome it."

In the light of this our Thursday evening, 5th December will be mainly a time devoted to praying into the insights gained from the above seminar. Be sure to come and pray at this vital time in our nations history.

Family & other news (cont)

Some of you may have seen the recent BBC report on the severe drought in Zimbabwe, adding hardship and starvation to the already dire state of the nation, 'due to corruption and mis-management' (BBC report). Please stand in prayer for release of rains to the dry and thirsty land, and justice for the people of that beautiful nation, where so many thousands of believers are earnestly praying for God to breakthrough for them.

Let's pray for all our church family who will be taking a well needed break from the daily pressures of life over the Christmas period, especially those who work full time; the Wildings, the Bedfords, David Thomas, the Brights, the Crosses. We pray for a time of refreshing in mind, body, soul, and spirit for them and all our families.

At the recent townwide prayer time we prayed for the real message of Christmas going out from all the churches and we would see many people respond personally to the gospel.

"Let us not grow weary in doing good, for in due season we will reap a reward, IF we do not give up." Galations 6 v 9 (NKJ)
